

Songwriting Snippet #13

Assignment 13: My Soundtrack

1. Create a Spotify Playlist or 12-Track CD to represent “The Soundtrack of My Life”.

Choose one of the following timelines as your Theme:

- A year in your life
- A month, or other short period in your life
- A season in your life
- A day in your life

2. Write:

- A Title for your album, based on your Theme or experience
- Your song Titles, listed in order, according to the timeline that corresponds with the sequence of events of your Theme
- Under each song Title, write a short description of your own experience, or how the song you have chosen reflects your own story-line/Theme

3. Write a final paragraph, describing why the particular songs you have chosen reflect “The Soundtrack of My Life.” Think about why and how you connected to these songs, describing the ways in which you closely identify with them. Be sure to give an explanation for each of your 12 songs.
